Description

This bright first-floor apartment in Residencial Alba Verde is a modern new build in a peaceful setting. Large sliding doors connect the living and dining area to a private balcony. The open-plan kitchen has a natural quartz countertop. There are three bedrooms with floor-to-ceiling built-in wardrobes and two fully fitted bathrooms with shower screens.

The specification has been carefully chosen. The floors are large-format stone-look tiles, and the Exlabesa windows have a thermal break and double glazing. The living room and bedrooms have electric roller blinds, hot water comes from an aerothermal system, and air conditioning is pre-installed. The roof has a solarium with a pool, and the building has two lifts.

Jacarilla is a well-kept town between Orihuela and the coast. The beaches are about 15 minutes away, and golf courses, shopping centres and Alicante Airport are within easy reach.

We would be happy to send you a detailed property brochure with full information on the apartment and the development.
